

Joseph Renzulli, MD, Chief of Urology
Joseph Brady, MD, Specializing in General Surgery

Because you get da Vinci precision in the hands of experts

*Now offering robot-assisted surgery for
urologic and general procedures*

The unprecedented precision of the latest da Vinci robot-assisted technology in the hands of two of Rhode Island's most experienced da Vinci practitioners. Plus the superior patient experience that South County Health is known for. That's why patients choose us for their surgical treatment of prostate, bladder, and kidney cancer, as well as hernia, gallbladder, and other urologic and general surgery procedures.
