Presented by Jane Barthen, LSW Gallagher Hospice

When you are a caregiver many emotions surface. Some of these feelings happen right away and some do not arise until you have been a caregiver for a while.

Whatever your situation, it is important to remember that you, too, are important. All of your emotions, good or bad, about caregiving are not only allowed, but valid and important. Join us as we talk about YOUR day, good, bad, easy, rough, feeling blessed, feeling angry, guilty or giving.
