FINDING TOMORROW’S HEALTHCARE LEADERS TODAY

RICHARD MERKIN, MD founded the **Heritage Healthcare Innovation Awards** to recognize new healthcare leaders who understand the urgent, critical need for innovation if we are to solve today’s healthcare challenges and improve quality and access to affordable care. The time for innovation is now.

Meet this year’s finalists in the **Heritage Research Investigators in Translational Medicine** category.

**Michael Aberman, MD**
President and CEO, Quentis Therapeutics

**Mitchell Cairo, MD**
Associate chairman and professor, Department of Pediatrics, New York Medical College
Director, Childhood and Adolescent Cancer and Blood Disease Center
Chief, Division of Pediatric Hematology, Oncology and Stem Cell Transplantation, Maria Fareri Children's Hospital

**Dennis Charney, MD**
Anne and Joel Ehrenkranz dean, Icahn School of Medicine at Mount Sinai
President for Academic Affairs, Mount Sinai Health System

**Elizabeth Cohn, PhD, RN**
Rudin professor of Community Health, Hunter-Bellevue School of Nursing, Hunter College and the City University of New York Graduate Center

**Lorenz Studer, MD**
Director, Center for Stem Cell Biology, Memorial Sloan Kettering Cancer Center

**SINCE 2016, HERITAGE PROVIDER NETWORK and Crain’s New York Business have honored more than 60 individuals and organizations that have transformed the way healthcare is delivered across the country.**

All finalists will be announced April 29, 2019. Finalists and winners of this year’s program will be honored at a luncheon on May 20 in New York City.
