BE MORE FOR STUDENTS – TUTOR READING

Pine City Elementary is looking for 2 full time reading tutors for the upcoming school year. In Minnesota, 1 in 3 third graders struggles to read at grade level and less than 60% of eighth graders are proficient in math. You can make a difference by giving your time and talent to help students build their skills and confidence!

Tutors work with students during school hours throughout the school year. No matter if you're a recent grad, career changer, stay-at-home parent or retiree, you can make a great tutor. No experience? No problem. Tutors receive great training, so they are well equipped to help students grow.

Tutors commit to serving 35, 25, or 18 hours a week throughout the school year.

Opportunities begin in August 2019.

PERKS AS A TUTOR

- Build your skills, network, and resume
- Receive a paid stipend every two weeks
- Earn up to \$4,200 for college tuition or student loans. Tutors 55 and older may gift the award to their child, grandchild, stepchild or foster child.
- Free health insurance and child care assistance for those who qualify
