Spring into Summer

Kick start the season with sun-drenched memories of long, languid days in the Sussex countryside. Our alfresco dining terrace is freshly open for anything from cocktails to cream teas; indulgence at its finest. Get back in touch with nature and get your gourmet titbits to go, luxury picnic style. Explore our 120-acre luxuriant lands, and try your hand at some lawn games – croquet, life-sized chess and tennis are just a playful longing away.
