

A MENU OF MASTERY AT LAKEVIEW MANOR

Tucked away in acres of sprawling woodland near Honiton, there is an establishment that exudes class, charm and, above all, peace and quiet.

The food served here is a culinary delight - offering affordably priced, high-end produce bursting with countryside flavours.

Lakeview Manor is more than a special venue to host a party or wedding - it's a special place to eat. You'll find yourself returning to the dinner table time and time again.
