

HERMANN SONS LIFE

We're different because we make a difference.

Photo by Sports Pro Express

Hermann Sons Life offers the life insurance and annuity products you need to protect your family's financial future.

But there's more to our story.

When you purchase one of our products, you become eligible for member benefits.

One of our most popular benefits is our 31 tuition-free Schools of Dance.

Registration is now under way.

Other benefits include a summer camp for children and a retirement home for seniors.

But there's even more to our story.

Besides member benefits, we put our earnings to work in community service programs including a grief support camp for children and disaster relief efforts.

Call today to speak to an agent about your family's life insurance needs!
