

Like you've never seen

Do you love your glasses? If not, now's the time to find a pair that you're excited to wear. At **The Spectacle Factory**, we source our eyewear from all over the world, from independent designers who are passionate about what they do and create unique frames just for you.

Our team will take you through our **unique 3 step process** to get you the best vision possible and guide you in selecting frames that best enhance your appearance. Book your eye test and style consultation by calling us on **01772 312213** or book online at **thespectaclefactory.com**.
