

YOU MIGHT THINK YOU'RE DOING FINE, BUT WHAT DOES YOUR MRI SAY ABOUT YOUR RELAPSING MS?

Patient Portrayal

Join us for a live event, “Using MRIs to View Your RMS Differently,” and learn how MRIs help determine if your treatment is working. You’ll also hear about a relapsing MS treatment option that may be worth considering.

Date and Time:

09/09/19
at 6:30pm

Speaker:

Barbara Bishop, NP.,
Virginia Beach, VA

Location:

Hot Tuna Restaurant 2817
Shore Drive Virginia Beach,
VA 23451
