

NOTICE

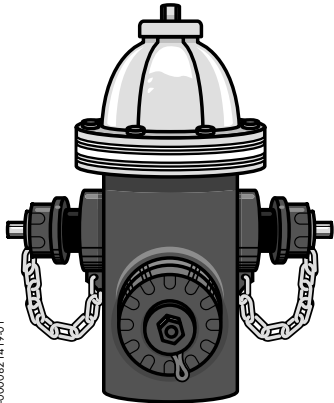

FIRE HYDRANT FLUSHING

City of Newburgh Water Department

The City of Newburgh Water Department will be flushing fire hydrants throughout the city beginning Sunday, September 15, 2019 and continuing through to completion. This process will take three to four weeks to finish.

Residents can call the Water Department at 565-3356 to check flushing locations.

Customers may notice a discoloration of their water or a change in pressure for a short period of time. Please check your water before you use it. Your cooperation during this procedure would be appreciated.

Thank You,
City of Newburgh Water Department
