COMMUNITY MEETING & PANEL DISCUSSION

This meeting will be used to provide education and obtain input on priorities for addressing social determinants of health throughout Western North Carolina. During the session, national public health experts will take part in a panel discussion highlighting the various factors that influence health and well-being and discuss possible ways to address these issues throughout the region.

COMMUNITY MEETING

Asheville-Buncombe Technical Community College

Thursday, Oct. 10 • 5 - 6:30 p.m.

Mission Health/A-B Tech Conference Center
16 Fernhurst Drive • Asheville, N.C. 28801
