

Brock Soccer Club would like to thank The Township of Brock for continuing to allow us to use their property and for maintaining the property throughout our season. Also, a huge thank you to the local businesses listed below, for their donations and sponsorship of teams. We appreciate your support of our soccer program. We would also like to thank the volunteers and referees for making our 2017 season a success. A special thank you to the players and parents who continue to support our club.
