

Congratulations Linda Dopp, for 55 years of working for Schreiners'!

My name is Pat Schreiner, owner of Schreiners' Plumbing and Heating, a company that has been in business in Marshfield for 100 years. I would like to tell you about Linda. She is my secretary, bookkeeper, and to my family, much more.

After Linda graduated from Marshfield High School in 1961, she went to work for the 'Wisconsin Gas Company' (now known as 'WE Energies'). Approximately a year later, she interviewed for a job with my father Jim, and was hired. This began her long career with the Schreiners'.

As business owners know, it is very difficult to find good and loyal people. Linda is all that and more. She is willing to come in early, stay late, or even work weekends if necessary. She sometimes makes cookies and other tasty treats, and hands them out to the customers and other employees.

Since 1962, Linda has been helping customers with their questions and needs, and has kept our business functioning smoothly. Long-time customers who call, recognize her voice, and ask..."Are you still working there?". Linda continues to work 40+hours a week with a cheerful disposition.

On behalf of my father and mother (Jim and Jan Schreiner), my wife Jeanne and I would like the community to know what a wonderful person Linda is, and to know how blessed we are to have her in our lives.

Congratulations Linda, on your 55 years of service to Schreiners' Plumbing and Heating!
