

Ready to Hear?

Kingsport, TN
Free electronic
hearing tests will
be given THIS
WEEK ONLY.*

The tests have
been arranged for
anyone who sus-
pects they are los-
ing their hearing.
Such persons gen-
erally say they can
hear but cannot
understand words.

Testing with the
latest computer-
ized electronic
equipment will
indicate whether
you can be helped.

Everyone, espe-
cially those over
65, should have
an electronic hear-
ing test once a
year. If there is a
hearing problem,
a free electronic
hearing test may
reveal that newly
developed meth-
ods of correction
will help, even for
those who have
been told in the
past that a hearing
aid would not help
them.
