

Ostomy patients, discover this appliance- free alternative.

The Innovative Barnett Continent Intestinal Reservoir

FREE SEMINAR

Saturday, January 13th 12:30 PM

Crowne Plaza Louisville Airport Expo CTR

830 Phillips Lane • Louisville, KY 40209

Attend a free seminar to learn more about the freedom, control and confidence that comes with the Barnett Continent Intestinal Reservoir (BCIR), an appliance-free ileostomy. Potential candidates for the procedure are individuals suffering from Familial Polyposis (FP) or medically unresponsive Ulcerative Colitis or individuals who have problems associated with conventional ileostomy or have a failed alternative procedure such as a J-Pouch or a Koch Pouch. A question and answer period with the BCIR team will follow the presentation. Reservations suggested, walk-ins welcome.

Please call 800-494-7246 or visit www.BCIR.com today for reservations.

 www.facebook.com/BCIRprocedure

Parking is free. Refreshments will be served.
