

Wills vs. Trusts

It's not about the documents...
It's about the results

This is truly an educational session. Join us for a thought-provoking discussion of the basics of estate planning and discover which plan is right for you and your loved ones.

YOU should attend if:

- You want to learn how current laws affect your estate plan.
- You are concerned that Nursing Home or long term care costs will deplete your life savings.
- You want to protect the family inheritance you leave behind **FOR YOUR FAMILY'S** use only.
- You wish to learn more about **PROBATE** and how to avoid it.
- You have a Will that is more than **3 YEARS OLD** or it was created **IN ANOTHER STATE**.

As Featured On

What we will discuss:

- The effect of the Federal Estate Tax laws on every estate plan.
- How to provide for your own care and well-being, and that of your loved ones even if you become incapacitated.
- The pitfalls of joint ownership, especially with family members, and how beneficiary designations might invalidate your will.
- How you can protect your childrens' inheritances from predators, greedy non-family members, and bad marriages.
- How veterans or their spouses can receive money to help pay for medical expenses.
- Why signing your home over to your kids might be a **HUGE** mistake.
- How planning in advance can help you and your spouse afford quality care.
