

# Ostomy patients, discover this appliance- free alternative.

The Innovative Barnett Continent Intestinal Reservoir

---

**FREE SEMINAR**

**Saturday, January 13<sup>th</sup> 12:30 PM**

**Crowne Plaza Louisville Airport Expo CTR**

**830 Phillips Lane • Louisville, KY 40209**

---

Attend a free seminar to learn more about the freedom, control and confidence that comes with the Barnett Continent Intestinal Reservoir (BCIR), an appliance-free ileostomy. Potential candidates for the procedure are individuals suffering from Familial Polyposis (FP) or medically unresponsive Ulcerative Colitis or individuals who have problems associated with conventional ileostomy or have a failed alternative procedure such as a J-Pouch or a Koch Pouch. A question and answer period with the BCIR team will follow the presentation. Reservations suggested, walk-ins welcome.

*Please call 800-494-7246 or visit [www.BCIR.com](http://www.BCIR.com) today for reservations.*

 [www.facebook.com/BCIRprocedure](http://www.facebook.com/BCIRprocedure)

*Parking is free. Refreshments will be served.*
