

MICHAEL FOODS^{INC.}

Michael Foods, Inc. is a leading food processor and distributor with business in egg products, refrigerated grocery and potato products and offers exciting job possibilities throughout our organization. Join our company and be part of an innovative team that's First in Food – where you can enhance your career, sharpen your talents and make an impact.

We are currently seeking a maintenance mechanic to work a weekend day shift in our Klingerstown, PA facility.

Responsibilities Include:

Perform day-to-day preventive maintenance, repair, and troubleshooting necessary to maintain facility processing machinery and maximize production up time. Must have working knowledge of mechanical, pneumatic and fluid handling, PLCs, hydraulic, pneumatic, and electrical systems; and the ability to read and understand mechanical\electrical diagrams and technical repair manuals.

Basic three-phase electrical and 3+ years of experience in a Food Processing or Industrial Manufacturing environment are required.

We offer competitive benefits packages with Medical, Dental, and Vision plans, Life insurance, 401(k) with 6% company match; tuition reimbursement; paid Holidays and Paid Personal Time; and annual incentive program with a target bonus of 3% of your base salary based on overall plant performance.

Must be able to pass a background check, pre-employment physical & drug screen, and work overtime as required.

If you are looking for a company where you can truly make an impact and provide value-added work, explore the possibilities at Michael Foods, Inc.
