

Your Wedding

should be the most important, memorable day of your life and with Embassy Suites it will be. Our dedicated staff strives to make even your most incredible dreams a fantastic reality. Embassy Suites Columbus offers both elegant surroundings as well as a sincere and friendly staff. We hope to make your wedding as pleasant to plan, as it is to attend.

Our newly renovated property offers a romantic ambience fitting for your Wedding Reception. Our modern 8 story atrium is a beautiful back drop for an elegant Hors D'oeuvres reception for your guests prior to entering the ballroom for your grand entrance. Our smaller ballroom is perfect for rehearsal dinners, ceremonies and smaller intimate weddings. Our Catering Department will work with you throughout the entire planning process. From the over-night guest accommodations to the post wedding brunch, our goal is to "WOW" you.
