

I've saved for decades to protect my home and family. But what if...

- ◆ I or my spouse become seriously ill and need nursing-home care, which could wipe out my savings at \$100,000 a year?
- ◆ After my death, my adult child divorces or dies? Will my estate transfer to their spouse? What about my grandchildren?
- ◆ My adult child is battling drug addiction and inherits the estate?

At this important **FREE** seminar, Attorney Edward Beasley, former chairman of the American Bar Association's Elder Law Committee, will help you plan for critical end-of-life issues, as well as avoiding probate and planning for disability.
