

*TEENS, curious about how to build a robot?*

## ***Lego Robot Challenge Week***

*Come to the TECH Lab and participate in our Lego Robot Challenge! The TECH Lab staff will teach you the basics of Lego robot building. You build your robot and learn how to make it move. Then compete to win prizes in a series of challenges! Call 657-8290 to sign up or if you have any questions.*

**• 5-7pm, Tuesday-Friday, February 13-16**
