

It's Beautiful.

Inside and Out.

No bars, no springs, no sagging.

The Comfort Sleeper™ is in a category of one. It's not only a gorgeous piece of furniture, it's the only sleeper with the Tiffany 24/7™ Sleep System. Solid platforms provide even support for the full-length, high-density foam mattress. And the patented mechanism opens and closes almost effortlessly. No other sleeper is as comfortable. Made to order in your choice of dozens of fabrics and leathers.

Our Dallas factory will custom make one of our Comfort Sleeper™ sofas — like ones found in 4-Star resorts — and deliver it in about a month for you and your guests to enjoy.
