

Westwood Plateau Golf & Country Club

1 Membership, 2 World Class Courses

SPECIAL TO THE PROVINCE

Just a forty-five-minute drive from downtown Vancouver can put you on the tees at Westwood Plateau Golf & Country Club, enjoying panoramic views in a natural wildlife setting before drinks at the clubhouse or a world-class meal on the patio. With two courses—the 18-hole championship course and a 12-hole executive one—plus a driving range, full-size pro shop, dining, entertaining and banquet facilities, Westwood Plateau has everything you could ever want to make this spot your home away from home.

“Our customer service motto is ‘above and beyond,’ which really describes our location, too. We’re up here nestled above the clouds in this beautiful mountain setting,” Westwood manager Jenifer

Wright says, “so you get the whole alpine golf experience without the two-and-a-half-hour drive. Plus, there’s always wild-life everywhere (lots of fawns today!) and our guests sure love that...”

Westwood Plateau offers B.C.’s best golf package membership deals—including unlimited play on both courses, member-preferred guest rates, fifteen percent off regular-priced food and beverage items, a twenty percent discount on pro shop merchandise and a member’s charge account—all for as little as \$290 a month, with membership fee credits during the championship course off-season transferable in full to Fairways Grill & Patio or the executive driving range.
