FREE HEARING TEST

Test to determine if you could be helped by a hearing aid. Hearing aids do not restore natural sound. Individual experiences vary depending on severity of hearing loss, accuracy of evaluation, proper fit and ability to adapt to amplification.*

*Any hearing aids that can be repaired in our inhouse office repair are free of charge.

We will also provide a 100% free cleaning and service adjustment of any hearing aids you have.

Our factory trained repair specialist will provide these services absolutely free:

- **A FREE test** to determine exactly where your hearing loss is currently so we can make the proper adjustments to your current hearing aids.
- **A FREE video ear inspection**
- **A FREE complete diagnostic on your hearing aid**
- **A FREE thorough cleaning of your hearing aid**
- **A FREE complete hearing aid adjustment for your best current hearing loss**

OTOSCOPIC EAR CANAL INSPECTION

Your ears will be examined with an otoscope to determine if your hearing problem is just impacted wax. We will do an inspection of your ear canal and your ear drum. We will let you know right away if the earwax blockage is present!
