

NO MORE KNEE PAIN

We are seeking 35 qualified candidates to evaluate a groundbreaking treatment approach for stopping and eliminating the underlying source of knee pain.

Come join double Board Certified medical doctor and regenerative medicine pioneer, Dr. Kyle Young as he shares how he is helping chronic knee pain sufferers eliminate the need for prescription painkillers, walking sticks, wheelchairs, and joint replacement surgery.

Prospective candidates can get all the details about this FREE seminar by visiting our website at PRIMedRegen.com/relief or calling 502-855-7203.

Kyle Young, MD
Regenerative Medicine Specialist
