

# Heart care in perfect rhythm with your world

The power of possible. It's what our team of cardiovascular specialists delivers. Like a heart valve that gives new life to people who can't undergo open heart surgery. Innovations to restore blood flow faster after a heart attack. And advanced rehab to get you moving sooner. We're orchestrating excellence in cardiovascular care—all heart-wired for the way you live.

**FEBRUARY IS HEART MONTH.** Take five minutes to complete our online Heart Health Risk Assessment. Visit [HackensackMeridianHealth.org/HeartRisk](http://HackensackMeridianHealth.org/HeartRisk) to find out if you are at risk for cardiovascular disease.
