

FREE SEMINAR ►

BECAUSE
YOUR GOOD HEALTH IS
OUR ONLY FOCUS.

At Mount Carmel, our focus is always on your health and well-being. That's why we offer informative, free community seminars that address common health concerns. Most are presented in small-group settings so we can personalize the information and answer as many of your questions as possible. We offer them for the same reason we do everything at Mount Carmel. Because of you.

Dr. Sylvia Rozek

Dr. David A. Crawford

FREE KNEE & HIP ARTHRITIS SEMINAR

Speakers: Sylvia Rozek, MD, CAQSM & David Crawford, MD

Date: Monday, April 23 | 5:00 – 7:00 p.m.

Location: Mount Carmel Hilliard | 4674 Britton Parkway

Is arthritis keeping you from doing activities with the people you love? Learn more about recent advancements in the treatment of hip and knee arthritis options at a free informational seminar hosted by Dr. Sylvia Rozek and Dr. David A. Crawford. We'll discuss cutting edge techniques for treating arthritis including non-surgical and surgical methods as well as answer your questions about treatment. *Registration is required.*

To register, call **614-234-LIFE** or visit mountcarmelhealth.com/orthoregistration.
