Join Dr. Elias as he will discuss a modern approach to treating hip and knee pain including the latest advances in joint replacement surgery.

Speaker: Ramy Elias, MD, Board Certified Orthopedic Surgeon.

Dr. Elias has more than 16 years experience successfully treating hip and knee problems. He’ll discuss the newest non-surgical and surgical approaches for relieving the pain of degenerative arthritis of the hip and knee, including joint replacement implants.

A question and answer session will follow the presentation.
