

Do You Know the Top 10 Estate Planning Mistakes...and how to detect and avoid them?

When You Attend This Free Estate Planning Seminar, You Will Learn:

- ✓ **WHAT happens to your assets if you do not have a Will or Trust** – don't let your hard-earned assets pass under the government's "default" estate plan for you
- ✓ **HOW to avoid the costs and delays of probate and taxes** – make sure your family can access your assets quickly and potentially save \$1,000's in unnecessary taxes, probate fees, or legal challenges
- ✓ **WHY your Health Care Documents may now be more important than your Will or Living Trust** – longer lives, scandals, and changing laws have placed an increased focus on avoiding guardianship
- ✓ **HOW to avoid potential creditors and lawsuits** – be sure to safeguard your children's inheritance from greedy in-laws, divorces, creditors, lawsuits, and government claims

Why Attend?

- ✓ If you should pass away, become seriously ill, disabled or otherwise incapacitated you can rest assured your assets will be managed in the way that **YOU** decide with a living trust drafted by an experienced, competent estate planning attorney.
- ✓ Even if you have a living trust, it may now be **out-dated**. Get advice from experience you can trust: S. Craig Stone II, Esq. has been helping people just like you plan your estates for over 24 years! He will explain – in simple terms – how good planning will help you and your family.

All Living Trust Plans are NOT created equal!
