

# Better your skills. BETTER YOUR BOARD.

APPLY BEFORE **OCTOBER 5, 2018** FOR THE NEXT EDMONTON OFFERING OF CANADA'S LEADING PROGRAM FOR DIRECTORS.

"The ICD-Rotman DEP is valuable for both new and experienced directors. While highly relevant to members of a formal board of directors, the learnings and insights from the DEP also establish a framework for those serving on private company advisory boards. The questions posed, and the experiences shared by participants in the class elevated the learning, and the caliber of participants provided exceptional networking opportunities. It was a rewarding, challenging and enjoyable experience, and I recommend it to all board directors."
