

Choose from our menu of Residential Living Options

As unique as you are.

Our community offers an array of residential arrangements for you or your loved one. Are you looking for spacious living accommodations? Or a more affordable senior living option? Or do you need additional support for daily living such as assisted living and memory care? Our rental apartments could provide the option that's right for you. And all of this is located in the heart of scenic Mystic – a destination brimming with history, attractions and nature.
