HAVING KNEE OR SHOULDER SURGERY? LET US HELP WITH YOUR REHABILITATION.

Deidra Nichols is a board certified orthopaedic specialist through the APTA and the American Board of Physical Therapy Specialists. Deidra is one of only two therapists in the Blackfoot area and one of only seven in all of Eastern Idaho with these credentials. As an Orthopaedic Certified Specialist, Deidra is specialized in treating patients with musculoskeletal and neuromuscular conditions, which includes any condition of the muscles, joints, tendons, ligaments, peripheral nerves, etc.

We invite you to experience our clinic for yourself by scheduling an appointment to meet with one of our therapists.
