

EXCEPTIONAL CARE, EVERY DAY.

At White Plains Hospital, we strive to provide exceptional care to our patients 24 hours a day, 365 days a year. It's because of this tireless effort and devotion from our physicians, nurses and staff that the Hospital has once again received the Outstanding Patient Experience Award™ from Healthgrades®.

White Plains Hospital is among just 15% of hospitals nationwide to be recognized for superior patient experience, and one of only seven in New York State to achieve this impressive distinction.

It's just another example of White Plains Hospital delivering exceptional care, every day.
