

Not meant for all hearing loss ranges.

This **hearing device** can make all the difference in your world! The **STANDARD IIC™** is a new kind of hearing aid that sits invisibly in your ear canal.

ONLY **\$750** EA

*PS.* As part of your full, complimentary hearing evaluation, we invite you to bring a loved one to participate in an important familiar voice test.

*The STANDARD IIC™ is not a custom-molded hearing aid. Not all ears will accommodate the STANDARD IIC™. Invisibility is based on ear anatomy. Not meant for all hearing loss ranges. A free hearing screening\* will show if you are a candidate for the Standard IIC™.*
