

DENTURE SOLUTIONS

Cosmetic Full & Partial Dentures

Shannon Gryskwicz, L.D.

Astrid Chiasson, L.D.

Replacement & Immediate Dentures

I was told by three dentists that because of the bone loss that a lower denture would never fit properly. New upper & lower denture with flexible flanges.....Life changing!!!

Relines & Repairs are usually done within an hour.

Imagine a lower denture that 'anchors' to your jaw without the aid of implants!

We take care credit
