*The premiums quoted are based on the age of the insured at nearest birthday and specified underwriting classification and are subject to change without notice. Premiums for issued policies may be different than the premiums shown based upon actual underwriting classification. Generally, in the absence of fraud, after an amount of insurance has been in effect for two years during your lifetime, we cannot contest that amount due to a false statement made in the application. In the event of death during the first two policy years by suicide or self destruction while insane, only the premiums paid will be returned as death proceeds. Term products convertible to the end of the level term period or to the policy anniversary date nearest the insured's 70th birthday, whichever occurs first. Conversion options vary by term product. FlexTerm Series X policies (Form 07-TR-1 and any state variations) are underwritten and issued by Ohio National Life Assurance Corporation, Cincinnati, Ohio.
