HELP US. HELP THEM. 125 DAYS TO GIVE

"It's changed my life." It's changed the way I've thought, the way I feel. It's changed the career path that I've chosen. It's changed me emotionally, mentally."

Many of us are so fortunate and can take all we have for granted. But for Michelle, life wasn't easy. She had an abusive childhood, and as an adult, she became homeless. She reached her breaking point. Because of the help she found at Wheeler Mission, Michelle is now self-sufficient and thriving as a Certified Nursing Assistant. Her new life wouldn't be possible if it weren't for the Mission. As Wheeler celebrates 125 years of helping our community, we ask that you consider donating. Help us continue to make a difference in lives like Michelle's!

We are asking for your help for our homeless women and children by supporting the **Center for Women & Children Expansion.**
