

# THANK YOU, HEROES OF HARVEY

It's people like you, Former Mayor of Rockport C.J. Wax, Texas State Rep. Todd Hunter, Mayor of Fulton Jimmy Kendrick and Mayor of Corpus Christi Joe McComb, who make the Coastal Bend strong. Through shelter, aid and relief, you stepped up and gave our community peace of mind when we needed it most. And for that, we would like to say thank you.

**At CITGO, we're committed to giving back to the community that's given so much to us.** Through our **Fueling Good. Rebuilding Lives.** initiative, we've donated millions to help areas affected by Hurricane Harvey, including the Coastal Bend. In addition to providing potable water and fuel in immediate relief efforts, we've also given \$500,000 to the Coastal Bend Community Foundation to provide food, water and other needs to victims and \$1.4 million to Habitat for Humanity to help our partners and volunteers rebuild communities throughout Texas and keep them strong.
