

Veterans Seminar

Home Instead Senior Care is hosting a FREE seminar to help veterans, spouses and widows obtain the Aid and Attendance Pension to pay for in-home caregiving services.

If you served 90 consecutive days, with 1 day during declared war, and have less than \$80,000 in assets, and are NOT 100% disabled, you might qualify for this pension.

This pension allows veterans and widows to receive senior care services, such as bathing, housekeeping, dressing, mobility assistance, meal preparation and transportation from a professional Home Instead CAREGiver.

Franklin: July 16
