

Rosemary's
newest listing ...

My New Listing is nicely sited on a wooded 1.8 acre corner lot right in St. Johnsbury! Morning sun shines into the kitchen and evening sun sets on the new, private back deck! This cute, ranch style home has a paved driveway, an attached 2-car garage, a spacious galley style kitchen, a formal dining area open to the living room w/a pretty brick fireplace. You'll love the large laundry room w/sink, closet, washer/dryer included. This main floor also offers front entry w/closet, 2 bedrooms and a full bath. The full walk-out basement has a finished family room w/brick fireplace, 2 bedrooms and a 3/4 bath. There's tons of storage space here and the exterior of the home has just been freshly painted so this home is clean, neat, and ready to move into! Call me for an appointment to look at this lovely home today!
