

Lifestyle Choices for Seniors...

“Your Life, Your Style”

*I love living here...
and you will too!*

“My wife and I moved into WinterGreen Senior Apartments in 2008. I was tired of keeping up all the maintenance of our home. With more free time I found a new hobby, “carving”. The on-site wood shop is great and so are all the people who live here! The social activities are numerous and varied. My only regret was that we didn’t move three years earlier!”
