

Berkshire's Children's Hospice Service

Reaching out to every child and family who needs us, offering support and care from people who understand.

Alexander Devine Children's Hospice Service is a registered charity providing care and support to children with a life limiting or life threatening condition and their families across Berkshire. We are proud of our integrated model of care working closely with our NHS Colleagues.

Play Specialist Part /Full time

Location: Berkshire

Alexander Devine Salary Band 4 – circa 22K

Play is a central part of the care and support we offer and we are keen to expand our play team. We are looking for a qualified Play Specialist to work both in the community and the hospice where you will work closely with our senior Play Specialist to provide individual support, group sessions and events.

You will be expected to work flexibly and provide child specific play and activity programmes to enable children, young people and their siblings to achieve their maximum potential. You will be able to provide specialist play for all children with life limiting or life threatening conditions that will enhance their psychosocial, educational and spiritual needs.

This is a unique opportunity where you will benefit from extensive training and development opportunities, clinical supervision, and a full induction period within a supportive and rewarding environment.

If you wish to discuss these roles or request an application pack from Helen Bennett, our Director of Care, please call 01628 822777 or email helenb@alexanderdevine.org

Closing date for completed applications: 25th February 2019

Interviews: 13th March 2019

Enhanced Disclosure checks by the DBS will be undertaken for successful applicants.

ADCHS is an equal opportunities employer.
