HEALTH

ASSESSMENT

**TAKE THE SURVEY TO
HELP SHAPE THE HEALTH
OF OUR COMMUNITY**

Make a difference by participating in the RVA Community Health Needs Assessment survey to help identify where and how to improve the health and well-being of the Greater Richmond community.

**Complete the survey
online at www.rchd.com**

Local public health departments and health systems are working together to conduct the Community Health Needs Assessment. Feedback will help shape the future work of local health organizations and determine the types of resources and services that may be available in our communities.
