## We are Rocking and Rolling Again!

How about that Washington County Power Outage? Wasn't that something? So strange to walk into a closed SpringHouse on Monday when we had to close for a day...felt like Christmas or Thanksgiving. I guess we can all count it as an extra Day of Rest for this month. Anyway, we opened back up Tuesday morning, and the phones have been ringing and the front door's been swinging (I'm a poet, and I don't know it today)! Come on in for homemade soups-a different two every day- plus homemade lunch and supper from our kitchen and cupcakes and cookies from our bakery and milk from our cows too!! We are refreshed and ready to serve you!!

## Ash Wednesday Coming Up This Wednesday March 6 - Fish Fry All Day!

Are you considering which Fish Fry you want to frequent this year? Well, come on out to the farm this coming Wednesday as we kick off Lent with Fried Cod and Baked Cod all day (11am-7pm). We'll be frying as fast as it goes out the door. Mmmmm- love the non-fishiness of our hand-battered and hand-dipped fried cod and the buttery-ness of our Baked Cod with lemon.
